

WHAT IS skat?

skat is Rockingham County's *deviated fixed-route public transportation system serving residents and visitors alike. skat provides service six days of week, serving many common destinations in Rockingham County, providing access to work, school, entertainment, shopping and much more. New buses carry riders in air-conditioned and heated comfort in the safety provided by qualified bus operators. Wherever you have to go...get there your way on skat!

*Deviations can occur up to .75 miles from the set fixed route. Please call (336) 347-2287 to inquire about this service.

WHY USE PUBLIC TRANSPORTATION?

Financial Savings

Next to housing, transportation is the American family's highest household expense. Public Transportation offers reasonable cash fares for daily travel. You can also purchase a number of different types of passes that allow you to use the service multiple or unlimited times, bringing greater savings when compared with the ownership costs resulting from commuting alone by personal vehicle.

Reduced Traffic Congestion and Pollution

Roadway congestion is on the rise, but public transportation makes commutes easier, allowing riders to choose to leave their car at home and let others do the driving. Each full skat bus can remove up to 20 cars off of our roadways. Plus, today's fuel efficient transit buses reduces fewer pollutants into the environment, making it the greenest way to travel!
